**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)**

This Petition is submitted to revive the above-identified International application which went abandoned on November 11, 2003, for failure to file a U.S. National Phase application under Chapter II of the PCT or a U.S. continuation application under 35 U.S.C. § 365(c) and 37 C.F.R. § 1.53(b). This Petition is being submitted on the basis that the delay in filing such a U.S. National Phase application or such a U.S. continuation application was inadvertent and resulted from a breakdown in communication between the Applicant and the undersigned representative. This petition is being filed under 37 C.F.R. § 1.137(b), as the abandonment was unintentional.

Enclosed are the documents necessary for filing a U.S. continuation application under 35 U.S.C. § 365(c) and 37 C.F.R. § 1.53(b) and a Preliminary Amendment.

A check in the amount of **\$1,330** for this Petition is attached to the accompanying "Non-Provisional Utility Patent Application Transmittal - 37 CFR 1.53(b)".

Reinstatement of the International application and the filing of the enclosed U.S.
Continuation application are respectfully requested.

Respectfully submitted,

**Shoot the Moon Products II, LLC et al.,
David B. Small et al. (Inventors)**
